## Cyberitas Hosting

When you say "World Class Hosting", Cyberitas should be the first name that comes to mind. Our hosting facilities are second-to-none. We host many world leading web sites, include Coldwell Banker Commercial, ERA Real Estate, and Bahamas.com. The Cyberitas network is clean-- we don't clutter our systems with dial-up users or personal web space like many other ISPs. If you have a mission-critical site that needs hosting, or simply want the best hosting for your commercial website, contact Cyberitas. Shared system, dedicated system and client owned hardware hosting is available.

Cyberitas Level (3)  
Phoenix Data Center

## Facility Networking Features:

**Security:** Multi-layer security control procedures, biometric palm readers, and closed-circuit video monitoring

**Power:** Uninterruptible AC and DC power solutions that are flexible and upgradeable meeting all types of customer needs

**Cooling:** HVAC redundant design with under-floor air distribution for maximum temperature control

**Fire Suppression:** Smoke detection system above and below raised floor; double-interlock, pre-action, dry-pipe fire suppression

**Overhead Cable Management and Ladder Racking:** Provides easy access to all cabling while deterring obstructions from under the raised flooring

The Phoenix Gateway provides easy access to Level 3's premier broadband network.
